Universal Foodgrade Lubricant

This product is an universal lubricant for use in food processing equipment where incidental contact with food may occur. Suitable for most applications where medium load is required.

Foodmax Easy Spray can be used as a general lubricant as a non-sticky chain oil, bearings and slides with low load, hinges and as a cleaning and conserving agent for stainless steel. Foodmax Easy Spray can be used as a food grade mould release oil as well.

e 400ml
