CLEANER

Powerful Industrial Cleaner

This product is a powerful cleaner based on citrus to remove grease, tar, oil, wax, ink, resin, stickers and residues of glue from parts of treated and untreated metal, stainless steel, fiberglass, aluminum, concrete, wood, stone and various types of plastic.

Performance Citrus Clean can be used for machine parts, garden tools, garden furniture, wooden parts, windows, floors and walls, axels, grills, stove tops, label & sticker remover.

Typical Performance Data

Typical	Value
Base	Citrus Terpene
VOC content, % w/w	100
Colour	Transparent
Odour	Citrus
Density @ 20 °C, g/ml	0.84

e 400ml

How to use:

Before treatment, cover conductive parts and switch off electrical installations. Spray the parts to be treated and allow to take effect. Remove contaminations with a clean, non-fluffy cloth or tissue. For parts of treated metal and plastic, we advise to test the compatibility first. Some rubbers might swell using Performance Citrus Clean.

All performance data on this Technical Data Sheet are indicative only and can vary during production.
